

## **How to find us:**

### **The nearest metro station:**

Metro station Preobrazhenskaya Ploshchad (Square), top of the Sokolnicheskaya (red) line on the metro map.

### **By public transport:**

If you go by the underground from the centre, get on the last subway car. Go upstairs out from the underground, and then go through the subway walkway to the right. At the end of subway walkway go up the stairs on the left side, go directly along the street. It is Preobrazhenskaya street.

At the 3<sup>d</sup> crossing turn to the left, it is Elektrosawodskaja street. Cross the road to the part of the street with odd house numbers and go 500 m ahead till a red brick building – there is the business centre LeFort. As a reference use the following: before you reach our building you will pass a blue building.

### **By car:**

#### From the center:

From the center go along ul. Rusakovskaya, then along Ul. Stromynka. Over the Yauza-Bridge (Matrosskiy Most), after the first traffic light, turn right onto Ul. Elektrozavodskaya up to the red brick building, business centre LeFort.

#### From the outside:

Go along Shelkovskoye shossee, then along Ul. Bolshaya Cherkizovskaya until Preobrazhenskaya ploshchad. Cross the intersection, after the next traffic light, turn left on ul. Elektrozavodskaya up to the red brick building, business centre LeFort.

#### Along the Yauza:

Go along the Yauza up to the bridge Elektrozavodskiy most, pass under it and turn right on ul. Elektrozavodskaya up to the red brick building, business centre LeFort.

### **Entrance into the Business centre LeFort:**

At the entrance tell to the security that you need to get to the company **Rödl and Partner** and go up to the 5<sup>th</sup> floor.
